Customer Reviews

Sylvia Woods is one of the leaders in the harp world. She has written over 20 books for the harp, and has made three recordings. She owns the Sylvia Woods Harp Center and Mail Order Catalog, selling harps, harp music books, harp recordings and accessories.

This is a great addition to any harp musician's library. My harp teacher recommended getting this now, just to make sure I could get my hands on one before Christmas time when it sells out. There are easier and advanced arrangements for every carol, allowing this to be useful for anyone from beginner to advanced. It can also be used as a duet. I started lessons in March, and can already sight read most of the easier carols. (I am very proficient in piano and sightreading, and this is my third instrument.)

Received quickly my son loves that there are two versions to each song an easy version and a more advanced version

Love it! Love the different levels I can start with and then, maybe, advance to. I'm totally a novice so love some of the simple ones. Hoping to "play" with a friend's group before Christmas.

Nicely arranged and good selection of carols. Two levels of each carol, one more elementary, one more intermediate. Wonderful way to play alone or combine with another harpist for duets.

This book covers most of the most popular Christmas carols. Spiral binding keeps book flat and open for easy viewing.

I am a beginning harpist and believe I will find that I can enjoy playing the A music.

A must-have for harpists of all levels! Love this book.

It was all I expected ,thankyou
