Naked Fashion Girls: Truly Beautiful & Sexy (English, German, French, Italian And Spanish Edition)

Synopsis

â A snap shot is the truest form of photography.â œMike Dowson's photography is simply a case of capturing the moment. He distances himself from any kind of staging and stylisation. This has given him a style again â “ perhaps unintended â “ the style of "laissez faire". His photographs of pretty girls appear fresh, unconsumed, spontaneous, tasteful and very erotic. Dowson's models must always convey the feeling of availability, the petty bourgeois may call them tarts. However, these girls are no such thing, they are just young, being themselves and showing their lust for life. Mike Dowson thinks that women who display their sexual presence openly are much more erotic than those who come over as aloof and distant. His photography is the same â “ simply open and thus more erotic.

Mike Dowson, born and raised in Manchester / Great Britain, left home at sixteen and moved to Paris. He made snap shots there of everything that he saw and got to know many different photographers. Photography enabled Dowson to travel, to work for Vogue, Elle and Playboy, to become acquainted with pretty women and to also make a decent living in the process.

Having been a fan of Mike Dowson's work for some time, I was excited to see that he'd published a

collection. This book does not disappoint. If you are fan of his work you will be pleased. If you are a fan of modern-era nudes, expertly executed and printed, you won't be disappointed. And if you like your models skinny and buxom and beautiful, you won't be disappointed. A tour de force!

Beautiful work, with a deceptively simple style that captures the moment perfectly. And I sure do love Mike Dowson's taste in women. Read the description carefully though, this is one tiny little book that should cost about \$10, not \$20. I buy photo books all the time, and for \$15 more, I can buy a beautiful book that weighs 5-6 times as much.

The girls in here are standouts! My only complaint is there are only two photos of Emily Shaw and there is only one of a model whose name I believe is Ester.

As a professional photographer myself I have long been an admirer of Mike Dowson's work. Simple yet complex in his portraits of beautiful women. I really hope he does another edition of his work in print like this. Cheers, Mike!!

Nice book with variety of enjoyable ladies and pictures. The book is also fairly small.

Mike Dowson does excellent work resulting in an inspiring photographic master piece.

Rather mediocre work which displays little to no creativity. OK if you like pinups.

girls are beautiful, but the photos, eh, quite amateur, which means, even an amateur photographer like me can produce better pictures with these girls. what a waste of beauties!
