Heart Aflame: Daily Readings From Calvin On The Psalms

Synopsis

John Calvin described the Psalms as "an anatomy of all the parts of the soul." The description is an apt one, says Sinclair B. Ferguson in the foreword to this volume, "since every experience, every emotion, all the heights and depths, all the joys and sorrows, all the mysteries of human life, are here." These select readings from Calvin's Commentary on the Psalms provide us with a year's worth of rewarding daily meditations. Calvin wrote as one whose own experience is mirrored in the Psalms. Here we witness his remarkable knack for seeing the real issues, particularly how Christ is the focus of all of Scripture.

Customer Reviews

"In these pages you will find the Spirit-inspired biblical anatomy of the Psalms and the hands of an outstanding physician and surgeon of the spirit. Reading them on a daily basis can hardly fail to bring you spiritual health and strength. . . . Calvin seems to come to us from within the Bible, from inside the reality described in the text. He had learned the meaning of the command to love God 'with all your mind.'" --Sinclair Ferguson

easy to read translation, great edition. if you have never read Calvin, this is a good place to start.

This is one of the best devotional books that I have read. To see Calvin's views on the selected Psalms is an inspiration. He truly gives the Glory to God. I bought a copy of "Heart Aflame: Daily

Readings from Calvin on the Psalms" for each member of my family.

Ferguson does a great job at compiling John Calvin's heart and soul through his own writings through the Psalms. If you want to challenge your heart and grow in depth, this is the book for you.

I just can't go wrong with Calvin, enjoy this book very much.

I am using it as part of my daily studies, but I still am getting use to Calvin's expository style of writing. Perhaps I should rate it again after I have gotten further into the book. I will continue to read it through.

"In this book you will find select readings from John Calvin's Commentary on the Psalms. It provides us with a year's worth of rewarding daily meditations. John Calvin described the Psalms as "an anatomy of all the parts of the soul. "The description is an apt one, says Sinclair B. Ferguson in the foreward to this volume, "since every experience, every emotion, all the heights and depths, all the joys and sorrows, all the mysteries of human life, are here." Reading this on a daily basis can hardly fail to bring you spiritual health and strength. And you will come to love both the Psalms and Calvin better before the year is ended."Excerpt: Blessed is the man: The meaning of the Psalmist is that is shall be always well with God's devout servants, whose constant endeavour it is to make progress in the study of his law. He teaches us how impossible it is for anyone to apply his mind to meditation upon God's law, who has not first withdrawn and separated himself from the society of the ungodly. An excellent Christmas gift. Order now!
