Lookers: Ember #1

Synopsis

The girls are back, and this time they brought Ember to turn up the heat! Our two most fan-requested titles return, now in one super-smoking series! As the Lookers, Tanya and Michelle, decide to turn their troll-busting hobby into a business, they land one heck of a client - the supermodel-turned-superhero Ember! From webcam girls to super spies, this will be a crazy ride from writer Pat Shand and artist Gabriel Andrade! But this ongoing series gets better - each issue has an Ember solo story as well, written and drawn by Christian Zanier!
