The Philadelphia, Wilmington And Baltimore Railroad Guide Book (Classic Reprint)

Synopsis

Excerpt from The Philadelphia, Wilmington and Baltimore Railroad Guide Book Although it is only four years since the Darby Improvement was first opened for travel, yet new buildings have emistz-mtly been going up along the route and numerous little villages have sprung up as if by magic, owing their existence entirely to the railroad and its facilities. A stranger's first impression of one of these admirably planned towns cannot fail to be pleasant. Lle arrives at a de pot which is really an elegant building, surrounded by handsome grounds and approached by smooth, hard drives and well laid side walks. He finds broad avenues pursuing the easiest grades, shaded with elms and maples, and the natural building sites of the place improved in such a manner as to develop the most attractive features of each, and at the same time to preserve the unity of the whole. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
