Customer Reviews

Despite living in a modern, pampered, tech driven world, there lives in the heart of man a desire to test himself against the wild things of the world. George Wolfe lived that life and emerged the better for it - we can enter into that rabbit hole with him and satisfy our longings for adventure and introspection. Wolfe's Howl is unfiltered, amazing, and true. I am a better man for reading it.

If you like the outdoors, the thought of "living off the grid", adventure, honest insights and life lessons....all rolled into one book = Wolfe's Howl! I knew "Uncle George" from a distance - he's my best friend's uncle. I met him a few times as a child, but mainly knew him from the great stories he told my friend who in turn told me. The stories almost seemed mythical to us as kids. The book, which is from his journals, shows it was all true! A great read!
