Kate Burton is a leading international executive coach with a background in corporate communication in IT, and works with clients such as HP, KPMG and Microsoft. She brings her extensive knowledge of practical NLP approaches to enable leaders, teams and individuals to be the best they can be. She's also the bestselling author of four other Wiley books including Neuro-linguistic Programming For Dummies and Live Life, Love Work.

Outstanding book. Really covers all aspects of NLP. Would recommend to anyone looking for a good overall explanation and techniques of coaching using NLP

This is the most clear and helpful NLP//Life Coaching text I've read. It is so well organized and simply written that it has been a great help in pulling together information from many other sources and studies, so that I can visualize how to actually use the information and conduct a session with a client.

Fantastic book for help surviving in today's world.

Very easy and comprehensive read, which builds on the base knowledge of NLP. Presents the material from various angles giving broader perspectives of understanding and potential use

Only buy if you already know nlp and want to coach. Great book.

Great book

This is a handy book that shows you in an easy way how to use the NLP and Coaching tools to improve your coaching skills.

It covers a wide variety of techniques applied to coaching situations. It is really helpful for coaches and nlp advanced practitioners.
