How To Make Tassel Earrings

Synopsis

Are you a fan of bead shops, craft stores, and fabric stores? Do you love to buy unfinished craft projects at garage and estate sales? Do you end up with a box full of twine, ribbon, or yarn? We just moved into a home without any storage, so my husband has tasked me with clearing out my treasures. What better way than to show you how to make beautiful and practical jewelry? In this tutorial, you will learn how to make tassel earrings using ribbon, twine, or yarn. These appear visually bulky, but are as light as a feather to wear on your earlobes. You can also remove the earwire and use the tutorial to design a pendant. It only takes a few supplies, and the findings cost less than \$1. I've seen similar earrings selling for over \$25!
