The Acorn And The Oak Tree

Synopsis

Every living thing grows, and this beautiful book tells a story about growth in a tender and unique way. Readers follow an acorn as it falls off the old oak tree, takes root, goes through some hard times, and becomes a big, strong oak. The pages are graduated in size, so as kids turn the page, a little bit of the acorn goes away and a little piece of the oak tree appears.

Book Information

Age Range: 2 - 6 years

Board book: 16 pages

Publisher: Reader's Digest (September 21, 2004)

Language: English

ISBN-10: 0794405029

ISBN-13: 978-0794405021

Product Dimensions: 10.3 x 0.3 x 8.3 inches

Shipping Weight: 11.2 ounces

Average Customer Review: 4.6 out of 5 stars 5 customer reviews

Best Sellers Rank: #814,886 in Books (See Top 100 in Books) #196 in Books > Children's Books > Education & Reference > Science Studies > Nature > Forests & Trees #9978 in Books > Children's Books > Science, Nature & How It Works

Customer Reviews

My grandsons love this book. Especially meaningful in my family since we have a family joke that I am "The Old Oak" and my kids/grandkids are the acorns. My oldest grandson who is in pre-school asked me to read this book to his class when I was a guest reader for "March is Reading Month". Very colorful and fun to watch the acorn "turn into" a big oak tree as you turn the pages.

Cute book with nice illustrations for young children.

This and the other book in the series (Goodnight Sun, Hello Moon) are nice, peaceful stories, with a very creative page set-up. The pages are split to first show the acorn, and then gradually reveal the tree fully grown. This book is worth getting used, as it is durable and worth the effort.

Super cute! Great quality and lovely message

This book is great, it has a fanned out look on the inside, so when you turn the pages they change from an acorn to an oak tree. It tells of how an acorn grows into an oak tree. My kiddos love it & it's not too long for 4-6 yr. olds. Great for learning about an acorn's journey.
