# Raw Amateur Models: MILF Daily Boob Flash - Gemma Rae, Vol. 2, Naked And Nude Glamour Photos (Raw Amateur Models: Gemma Rae)

## **Synopsis**

This ebooks contains 50 nude images. As a professional photographer, I spend my days producing and editing high-quality glamour photography shoots. While beautifully composed and professional looking, they lack a certain honesty and spontaneity that's found in amateur home photography. In honor of amateur efforts, I've created the Raw Amateur Models series. Each ebook features true amateurs submitted from the-girl-next-door around the world, and shot with what camera was available, often just on a cell phone. Although the photography may not be polished and professional, I hope you'll enjoy the sexy authenticity of these shoots. The focus of the Daily Boob Flash line of the Raw Amateur Models series is to give us a peek at those lovely mounds on our female companions that tantalize us during our working day. Women change their outfits every day and tease us with clinging garments and glimpses of cleavage. Wouldn't it be great to get a peek at the breasts beneath those outfits? For this volume, MILF amateur Gemma Rae, in her early 40's, gives us a daily peek at her beautiful bosom over the course of a month. She says she's a professional in the financial industry and wants to keep her identity protected, but was excited to share her exhibitionist streak with us. She says she shot these for us on her Apple iPhone, capturing a fun boob flash as she headed out to work.
