# Malta And Gozo (Bradt Travel Guides Malta & Gozo)

## Synopsis

Now in its third edition, Bradt's Malta has built a reputation as being the guide to have if you are really interested in discovering this island nation beyond the beaches. Updated throughout, this new edition delves into Malta's temples more comprehensively than any other guidebook. Packed with historical and archaeological facts from the Stone Age to the Romans, the Knights Hospitaller to World War II, it also showcases the islands' wildlife (and bird-watching opportunities), summer festas, and the less commercialised islands of Gozo and Comino. It also includes details of developments for the 2018 Valletta European Capital of Culture. Malta has long been known for package holidays but this island nation has 7,000 years of fascinating and visible history. With new hotels opening across the islands the guide includes greater coverage of accommodation and restaurants. There is more to the island than sun and sea and this guide will help you to discover the Malta beyond the tourist resorts.

Product Dimensions: 5.4 x 0.7 x 8.5 inches

Shipping Weight: 12.6 ounces (View shipping rates and policies)

Average Customer Review: 4.8 out of 5 stars 6 customer reviews

Best Sellers Rank: #189,428 in Books (See Top 100 in Books) #4 in Books > Travel > Europe > Malta #368 in Books > Travel > Europe > General

## Customer Reviews

Juliet Rix has an excellent grasp of the island's history, and her prose is accompanied by a broad range of suggestions for possible activities. (The Daily Telegraph) Juliet Rix makes a compelling case for the idea that Malta, which has languished under the lucrative, if unappealing, blanket of mass tourism, should be recognised as an important destination for the traveller seeking a solid sense of history, and even prehistory, and the cultural artefacts and fascinating sites history bequeaths. (The Daily Telegraph)

Juliet Rix has been a journalist for 25 years. She has worked for the BBC, The Guardian, The Times, The Telegraph and The Independent. She has visited more than 40 countries and has traveled extensively throughout Malta. Juliet recently won second place in the Malta Travel Awards global magazine category.

Good info for planning a trip to Malta. It seems to be based from the perspective of a traveler from the U.K. So the tour agencies listed are based in the UK but otherwise its great even if you're from elsewhere.

Will test it out soon.

Extremely good guide. Helped me to hone in on what I wanted to do, how best to get around and even which hotels would work best for me. Thumbs up!

Nicely done

Apparently few Americans head to Malta, as I've had a hard time finding comprehensive information on the place (No Rick Steves, Rough Guide, Time Out, etc.) but this book is the answer to my prayers. I started with the Lonely Planet guide, but it's pretty basic. This is SO much more informative and gives a plethora of information on every topic you could imagine, including an expanded list of accommodations. While this guide is also written by the British, it includes helpful info for Americans and is just an all-around more in-depth guide to the islands (not that I mind British guidebooks, but I have noticed they have a different perspective on Europe than an American traveler may be looking for). I was not previously familiar with Bradt, but will consider them in the future for other trips.

An excellent guide - twice as long, twice as detailed, twice as useful as the ho hum Lonely Planet guide to Malta and Gozo. Juliet Rix is thoughtful and passionate about Malta and Gozo rather than formulaic and robotic.
