Chineasy Workbook (English And Chinese Edition)

Synopsis

Where Chineasy(TM) 's books, flashcards and memory game helped learners to recognize a diverse range of characters, this new workbook offers the opportunity to practise writing Chinese characters. Noma Bar's playful and appealing colour illustrations are interspersed with practical pages showing learners how to write the characters themselves. Short facts illuminate the meaning of a character or the origin of its shape, while a guide to the correct stroke order and grids to help with spacing allow learners to perfect their writing skills. Maintaining the innovative visual identity of the Chineasy(TM) brand, the workbook is the perfect complement to the existing range, but is also self- standing and doesn't require learners to be familiar with the method. Suitable for everyone from schoolchildren to businesspeople, it will foster a genuine appreciation of the Chinese language and provide a fun introduction to the art of Chinese calligraphy.
