Easy Classical Ukulele & Piano Duets: Featuring Music Of Bach, Mozart, Beethoven, Vivaldi And Other Composers. In Standard Notation And TAB

Synopsis

This collection features a selection of classical pieces by the world's most renowned composers: Johann Sebastian Bach, George Frideric Handel, Johannes Pachelbel, Antonio Vivaldi, Wolfgang Amadeus Mozart, Ludwig van Beethoven, Richard Wagner, Johannes Brahms, Johann Strauss, Pyotr Tchaikovsky, Giuseppe Verdi, Edvard Grieg and Edward Elgar. This selection of pieces is intended for absolute beginners. While other books have a accompaniment part for teachers, in this book the accompaniment has been over simplified for beginner students. Includes: 1812 Overture A Little Night Music The Blue Danube Bridal Chorus Dance of the Flowers Greensleeves In the Hall of the Mountain King Jesu, Joy Of Man Desiring La Donna Á Mobile Land of Hope and Glory Lullaby Ode to Joy Spring - Four Seasons Water Music Disclaimer: this edition does not include an insert. The pieces are presented for duet and then, at the end of the book, the parts for the soloist instrument.

Customer Reviews

I was quite pleased with the way this book was organized, and so was my piano partner. We were able to play 2 of the songs (Ode to Joy and Greensleeves) by the end of the day. We liked how you were able to remove the accompaniment so there were two separate sets of sheet music, one for each player. I am beginning ukulele player and the piano player is intermediate- but I think more advanced players might appreciate this as well.

This is a very good, useful book. However, the ukulele part is not written for a low G ukulele, but for one with re-entrant tuning. This is not a flaw, necessarily, but I would guess most ukulele players interesting in playing classical would prefer a low G version.

Just the fact that this book exists is something. I have a friend who is learning the piano and I'm learning the uke. I got her this as kind of a funny gift. Hopefully we'll actually get together and play some songs from it. I have learned Greensleeves and I'm working on In the Hall of the Mountain King. It's good ukulele practice.

My mom would have loved this book. As with all of the Easy Duet books, they are labeled as easy, but they are not simple, not dummed down. they are serious music for serious instrumentalists. Love it.

If you get this for Kindle it's so tiny, it's not worth the money. I recomend not getting this book at all, you can't even see the words on the kindle. I have the basic kindle and it's not a very good copy. However I don't know about the book itself, it has good songs..but I highly not recommending it.
