Customer Reviews

Nelles Verlag have been producing accurate and detailed maps of all the world since 1982. Their reliability and clarity have made them the first choice for travelers everywhere.

I have had the collar for 5 days and I already love it. I charged it for 30 minutes when it arrived and haven't had to do it again. I can easily spot my dog outside in the dark. It is very bright. I really hope that it lasts.

Nelles maps are very complete and accurate. They always seem to follow an excellent layout. I think they are among the best maps.
