Customer Reviews

The map pages are as clear as they can be. I believe most of these maps in book form are no longer being printed. I don't want to go anywhere unfamiliar without a good paper form of a map with me. Having a book atlas like this lets me make an advance plan, with alternative routes. I have bought up a spare copy of a street atlas (Hagstrom, American Map or rand McNally) whenever I can find it through used book dealers.

usefull map

Extremely useful maps for casual driving. Hagstrom is sadly no longer in business so these maps are not current with new developments, but they are very easy to read.

Just what I needed

Good value Good condition
