I bought this for my husband. He was hoping that this CD would also contain the litanias. This does help him pray the rosary while on his long commute to work.

Good product. Only one track per set of mysteries (about 35 minutes long), so it's hard to find where you left off if you lose your place

It's content is good and clear. One thing I didn't like about it is that I can't skip from mystery to mystery without starting the whole Rosary over.

VERY GOOD, VERY COMPLETE
