Customer Reviews

Grade 7-9 A clearly written and intelligent political biography of the first woman president of the Philippines. It is Corazon Aquino's public role which concerns Haskins, and which he describes so well. Mrs. Aquino's family, youth, and private life are treated only briefly. But from the time of her husband's imprisonment in 1972, when she began her arduous campaign to find him and to prevail upon the authorities to release him, Corazon Aquino's education in public affairs becomes the focus of the biography. Haskins deftly describes the various pressure groups and competing individuals who even today make Aquino's control of Philippine events somewhat problematic. Haskins has avoided the twin pitfalls of writing a "woman's story" about the Philippine leader and of focussing on her husband's political career. He has treated Corazon Aquino with the objectivity and political focus that should be granted any public figure, male or female. Shirley Wilton, Ocean County College, Toms River, N.J. Copyright 1988 Reed Business Information, Inc.
