Creative Activities And Curriculum For Young Children (Creative Activities For Young Children)

Synopsis

CREATIVE ACTIVITIES AND CURRICULUM FOR YOUNG CHILDREN, 11th Edition, is filled with fun, creative, and easy-to implement activities for young children. You'll be encouraged to exercise your own creativity as well as learn how to help young children do the same. Hundreds of activities, up-to-date research, recipes, finger plays, information on how to select children's books, and more make this book an invaluable resource for you and others planning to work creatively with children across the curriculum. This is a book you'll want to use throughout your professional career.

Customer Reviews

"This text provides an in-depth look into the world of creativity, including everything from the definition to activity examples to be used in your classroom." "This text is a valuable resource in assisting prospective teachers with the skills and knowledge to foster creativity in the early childhood development curriculum."

Mary Mayesky, Ph.D., is a certified preschool, elementary, and secondary teacher. She is a former professor in the Program in Education at Duke University, former director of the Early Childhood Certification Program, and supervisor of student teachers. She has served as assistant director for programs in the Office of Day Services, Department of Human Resources, State of North Carolina. She is also the former principal of the Mary E. Phillips Magnet School in Raleigh, North Carolina, the

first licensed extended day magnet in the Southeast. She has served several terms on the North Carolina Day Care Commission and on the Wake County School Board. Dr. Mayesky has worked in Head Start, child care, kindergarten, and YWCA early childhood programs and has taught kindergarten through grade 8 in the public schools. She has written extensively for professional journals and for general-circulation magazines in the areas of child development and curriculum design. She is a member of Phi Beta Kappa and was named Woman of the Year in Education by the North Carolina Academy of the YWCA. Her other honors include being named Outstanding Young Educator by the Duke University Research Council, receiving the American Association of School Administrators Research Award, and being nominated for the Duke University Alumni Distinguished Undergraduate Teaching Award.

This book is really good. I am taking an education course and this book helps with my assignments. It also gives me ideas on activities and other things to use in my future classroom.

Awesome book recommend seller book was as described, I recommend seller anytime,thank you

Promptly arrived. The book has a good amount of ideas AND I enjoy that it isn't hard to digest. It was used for a class I took and I was able to understand the concepts.

The book came on time and it was in the condition stated on the website. It is for school, and just what I needed for one of my early childhood classes. And also I love how it breaks the topics down. Very informative. Thank you very much I appreciate your service.

Used for class. Good info/

This book was what I needed to pass my class. It was a great buy for me

Fantastic book...lots of great information and activities to use!

I rented this book from for school. And im planning to buy it now. Great book and very useful.
