"immensely enjoyable" • "ForeWord Clarion Reviews "for children who enjoy lingering over pages full of magical creatures and whimsical details [...] told in simple and engaging words and imaginative pictures." • "Kirkus Reviews "a fantastic book that has enchanted me" • "Customer Review "We are in love with this book! [...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!" • "Customer Review "Written in a very simple way but with a profound message for both adults and kids." • "Customer Review "I LOVED it. Lots of repetition to help 'lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!" • "ESLCarissa.blogspot.com "readers will emerge from this book feeling slightly more confident about themselves" • "whatever their size." • "ForeWord Clarion Reviews Tags: Bilingual Children's Books, Bilingual Books, Emergent Bilingual, Bilingual Education, Foreign Language Learning, ESL, English as a Second Language, ESL for Children, ESL for Kids, ESL Teaching Materials, EFL, English as a Foreign Language, EFL Books, EFL for Children, ELL, English Language Learner, EAL, English as an Additional Language, Children's Picture Book, Dual Language, Foreign Language Study, ESOL, English for Speakers of Other Languages

Am I small? is the world's first World Children's Book - available for every country on earth in at least one official language.

We are Brazilian and are trying to bring Portuguese to our 2 year old daughter's vast (over 200 books) English library. This book is gorgeous and appropriate for many ages (certainly from infant to pre-preschoolers who enjoy imagery), though there is very little text. The pages are rich with beautiful drawings and the concept is to relate that size is relative, for example, she is very small close to something very big and very big close to something very small. It is hard finding bilingual books, and I think this is one of her favorites.

This book is excellent for children or adults learning portuguese as a second language. It is also a delightful book for young children whose primary language is Portuguese. It has very charming pictures, and it uses repetition to learn words, but doesn't get boring.

Very cute book, great message and the art is absolutely wonderful. Easy to read for a Brazilian Portuguese learner. Definitely a beginner book.

Great little storyline. It teaches a basic yet wonderful lesson for life and self esteem. Definitely a

think with your heart book.

My bilingual two year old loves this book. Asks for it every night.

Cute. My daughter was not very interested.

A fun quick read. It is very repetitive so it is good for very small children.

Weird story. Great for portuguese.
