Best Sellers Rank: #58,469 in Books (See Top 100 in Books) #68 in Books > Teens > Literature & Fiction > Comics & Graphic Novels > Superheroes #224 in Books > Comics & Graphic Novels > Publishers > Marvel #455 in Books > Comics & Graphic Novels > Graphic Novels > Superheroes

## Customer Reviews

THIS IS BOTH MILES AND CIVIL WAR 2!The great thing about this is how well there is a balance between this and civil war 2. You get more Miles than civil war, while still completely understanding his role as a hero and why his is different than the other spider people. Some of the best comic writing I read this year!Art has to be the best marvel has brought to the table! Can't think of a single panel I wasn't wowed with!

Although, I don't care for Civil war 2. I do like what Bendis does with Miles in this volume. Bendis spends a good amount of time providing Miles and the rest of the cast some nice character moments. Showing how Civil War 2 and its consequences affect Miles and other members of the book's cast. Less action then the last volume but still had a nice time reading it. So I give it a 4/5. Good character moments but, not enough superhero action.

One of my favourite civil war 2 tie-ins the story was good and the art was good too if you haven't read any of Brian Michael Bendis' spider-man series I think you should give it a try

The book is really good. The description says it contains issues 6-10, but it actually contains issues 6-11.

You think like Batman the Spiderman story has been told. Miles story is a fresh take and it happens in the middle of the Marvel universes biggest action packed story. All the best marvel characters make an appearance and you really want to see where the full story goes in civil war 2. Make mine Marvel.

Fantastic history! Every day Miles Morales becomes into the greatest spider man, highly recommended.

Bendis is doing the Lord's work with Miles Morales.

I really enjoy reading this series. It follow today's trends and more importantly encapsulates the new spideys culture. What's most important here is the big secret which blows up on social media. You're in for a treat.
