George Mueller: Faith To Feed Ten Thousand (Heroes For Young Readers)

Synopsis

The people of Bristol, England, thought God had more important things to care about than an orphan's breakfast. But George Müller (1805-1898) knew that wasn't true. George opened an orphanage, trusting God to provide for the needs of the orphans. By the time George was old, God had shown Himself faithful to ten thousand children! Homes, food, education, love - God provided it all. Children, parents, and teachers love the adventurous Christian Heroes Then & Now biographies and unit study curriculum guides. Now Heroes for Young Readers introduces younger children to the lives of Christian heroes! Whether reading for themselves or being read to, children love the captivating rhyming poems and unforgettable color illustrations of the Heroes for Young Readers series.

Renee Meloche is the author of the Heroes for Young Readers series, written to inspire children to dream big, stand tall for God, and be a hero. A graduate YWAM's School of Creative Ministries, Renee has worked as a missionary overseas. She served aboard the mercy ship, the Anastasis, where she first dreamed of writing true stories that would encourage children to discover the wonder and joy that awaits them when they live their lives for God.

I could not tell by earlier reviews that this book was for younger children. It is a great book. Just didn't hit the audience I was looking for.

This book and the others in the series for children are wonderful.

Nice product, happy with the shape of the book. Looks like it should be a good read for young children.

These biographies for young readers are brightly illustrated and convey truth in an appealing way.
