KENNETH N. TAYLOR was the founder of Tyndale House Publishers and the Christian Booksellers

Association (CBA). With 10 children and more than 25 grandchildren, he had ample experience in teaching children about the Bible. Kenneth is the author of The Bible in Pictures for Little Eyes, Devotions for the Childrens House, and Big Thoughts for Little People, as well as the best-selling Living Bible paraphrase. His desire was to see more and more easy-to-read, understandable, contemporary versions of the Bible in hundreds of languages overseas.

I love these simple stories based on Bible stories. I was able to spend short sweet time with my children and now grandchildren around the Scriptures. I led my child to accept the Lord as her Savior reading these.

The Bible looks okay but it was slightly worn out or bent from the cover, It is probably because they were not careful during deliver.

For my Grandsons...

Good book

Used first one with 43, 40, 36 yr old sons. All asked Jesus into their hearts at early ages with this book. Now I read this new one to 40 yr old's twin sons. They love it, and that their dad listened to "the same stories"!

Theologically conservative and pretty accurate. We read this to our sons, even before they were born. They were able to memorize large sections of it, and it helped to shape their early understanding of Biblical truth. We regularly give these as gifts to new parents.

I would recommend this book to anyone who wants to introduce God to very young children in a fun interactive way. The stories direct children to God in many different Bible stories, showing them the character of God and man. The questions are easily understood by young ones--engaging them in conversation. The illustrations are well done, capturing the children's attention. I loved this book when I used it with my children and I've have bought copies for each of my grandchildren!

The New Bible In Pictures For Little Eyes This is a new version of just simply "The Bible In Pictures For Little Eyes". Our three sons who are now 50, 48 & 46 grew up with this Bible Story Book! It got

so that when you turned the pages they could tell you the story!!! The oldest got so he "read" the stories to his little brothers!! It is great to have the simple questions at the end of each story to reinforce it in their little minds. Our church has showers for first babies in a family. I always give the New Bible In Pictures For Little Eyes as my gift! It is always enthusiastically received!!!!
