Benchmark Oregon Road & Recreation Atlas

Synopsis

The award-winning Oregon Road & Recreation Atlas has been completely revised and improved, from cover to cover, with new features, more road information, and dramatically improved terrain clarity. In addition to the enormously detailed and beautiful Landscape Maps, there is now a Hunting and Fishing section and expanded Recreation Resources. The Recreation Guide maps now show statewide Wildlife Management Units by name and boundary. These units are shown over public land ownership color tints; very handy for accessing hunting areas and applying for tags and permits. Hundreds of two-wheel and four-wheel drive back roads have been added along with an exhaustive updating of recreation information covering every corner of Oregon. The second-edition Oregon Road & Recreation Atlas will once-again set the standard of excellence for recreational road atlases

Book Information

Series: Benchmark Map: New Mexico Road & Recreation Atlas

Paperback: 111 pages

Publisher: Benchmark Maps; 2nd edition (January 1, 2004)

Language: English

Product Dimensions: 15.4 x 10.8 x 0.4 inches

Shipping Weight: 1.2 pounds

Average Customer Review: 4.0 out of 5 stars 17 customer reviews

Best Sellers Rank: #542,392 in Books (See Top 100 in Books) #8 in Books > Travel > United States > Oregon > General #681 in Books > Reference > Atlases & Maps > United States #1136 in Books > Reference > Atlases & Maps > Travel Maps

Customer Reviews

...this is probably the best travel atlas ever put on the market," said John Kimmerling, OSU professor of geography, -- John Kimmerling, (Salem, Oregon) Statesman-Journal. December 29, 1998 This atlas is scaled better, contains more information and seems more accurate. -- Outdoors in Print, Bill Monroe. Portland Oregonian, March 24, 1999

These are the very best detailed maps! A must have for us, we have every Benchmark ever published, and wouldn't leave home without them!!

Really good for back country roads. Our group standardizes on Benchmark atlases.

Good to have when your on the trails and the GPS fails.

Much older copyright than expected and certainly, why wasn't that date disclosed...(?)

Well detailed, accurate maps.

I love this map.

No faults at all. Excellent condition, prompt delivery good value for money. I'm looking forward to using it when on holiday later this year

good price and fast delivery
