For over thirty years, the Mr. Food Test Kitchen has stood the test of time, earning the trust of America with their nationally syndicated TV segment, cookbooks, and website all based on the quick and easy cooking philosophy of their founder, Art Ginsburg. At the heart of the brand is their highly regarded Test Kitchen which is one of the nation's most respected providers of triple-tested

recipes and engaging multi-media food related content.

Quick and easy recipes for just two of us. Beautiful photography on semi-gloss paper, with each recipe and the font size is easy to read which is wonderful! Ingredients are readily available in most pantries.

I purchased this for my dad and mom, looked through it and had to order one for myself. Many recipes that I want to make. The one on the cover we have made and it was absolutely delicious. Can't wait to try the others!

Good recipes - however, some of these are for more than just two. There is only one of me and I am having way too many leftovers so tried a few of these and will "downsize" next ones I try.

again look like some good recipes but would like to have seen some food counts in there, like Calories, carbs, etc.

An excellent book for cooking for two. This is a must have for every "empty nesters" kitchen. I found the recipes can be halved if only cooking for one but go ahead and use the full recipe and freeze the other portion. The recipes are simple, delicious, and can be made in 30 minutes or less. Highly recommended!

Great to have, for two real people who do eat. Makes a generous portion. Bought another one for sister. From firsts through dessert s. Soups are especially good, all are especially easy.

I've made several recipes from this book and enjoys them all. I know there's some concern about Nutritional values etc. not noted. But, I was able to modify those recipes that I thought might be high in fat or sodium. I like this book alot.

Very nice cookbook that uses ingredients that are readily available without going to a specialty market. I found lots of great recipes that I want to try out! the photography in this book is nicely done. I especially appreciate the dessert selections because while we both enjoy the occasional sweet treat, it is nice to be able to make something without a lot of leftovers tempting you.
