# The Love Of Her Life: A Christian Romance (The Callaghans & McFaddens Book 3)

## Synopsis

This Christian romance novel of 89,000 words is the third book in The Callaghans & McFaddens series from USA Today bestselling author Kimberly Rae Jordan. *A HANDFUL OF FLOWERS* (ASIN: B01APAIXM6) is the prequel to this series. He tempts death on his quest for adventure. Since he was young, Gabe Callaghan has chased the rush of an adrenalin high. Whether it was jumping off the roof of his family home onto the trampoline below as a boy or BASE jumping off the Kjerag Massif in Norway as an adult, Gabe craves the rush that dangerous activities give him. No person, place or thing has ever held his attention long enough to divert him from that chase. That is until the day he walked into his family's business and laid eyes on Maya St. James. Even though she's in her mid-twenties, Maya has an innocence about her and a curiosity about life that draws him in. Gabe longs to show her his world! She has fought hard to live. A two-time cancer survivor, Maya St. James has only just recently begun to spread her wings, eager to escape beyond the walls her wealthy, over-protective parents had put in place to keep her safe. She longs to experience a world that, for the most part, she has only seen virtually through videos and television. When she meets Gabe Callaghan for the first time, Maya is drawn to his zest for life. She's never met anyone like him before and finds herself saying yes to his invitations to be part of his world. But even as she finds herself falling for Gabe, Maya comes to the realization that his ideas of excitement and adventure vary greatly from hers. Add to that is the knowledge that Gabe's time in Winnipeg is short, and Maya is left to wonder if it's possible for their lifestyles to mesh. Will their blossoming love be enough to overcome their differences? Or will their opposite perspectives on life drive them apart? Stay tuned for the fourth in the series – "BELIEVING IN TOMORROW" – coming late 2017. ## Customer Reviews

I have always enjoyed Kimberly Rae Jordan's books. Christ first in all of them, but this book was so different with Gabe. and Maya's lives. Lots of different directions in their lives. Not giving away anything about the book. You just have to read it. Thanks

Gabe and Maya make the perfect couple. I love this series and I really hate having to wait for the next book to be published. I love that this author can write fun, clean, exciting books. I just wish she could write faster.

Love the Callaghans & McFaddens series. The Love of Her Life was great as was the previous three. My only complaint is the following books in the series are not being released fast enough! I am looking forward to the next and the next and the next.

I have loved all the stories on The Callaghans & McFaddens. Each character is so real and believable. Looking forward to the next story.

I'm out of words to describe my feeling while reading this book... If you have any feeling left you'll enjoy this tremendously

Love all her books and always am eager to be able to read the next one. This one again unique but also ties in the other family members. Love it!!

Another beautiful romance story with a happy ending. I enjoy series books because I feel like I know the characters so well.
