# The Ashgate Research Companion To The Korean War

## Synopsis

This essential companion provides a comprehensive study of the literature on the causes, course, and consequences of the Korean War, 1950-1953. Aimed primarily at readers with a special interest in military history and contemporary conflict studies, the authors summarize and analyze the key research issues in what for years was known as the 'Forgotten War.' The book comprises three main thematic parts, each with chapters ranging across a variety of crucial topics covering the background, conduct, clashes, and outcome of the Korean War. The first part sets the historical stage, with chapters focusing on the main participants. The second part provides details on the tactics, equipment, and logistics of the belligerents. Part III covers the course of the war, with each chapter addressing a key stage of the fighting in chronological order. The enormous increase in writings on the Korean War during the last thirty years, following the release of key primary source documents, has revived and energized the interest of scholars. This essential reference work not only provides an overview of recent research, but also assesses what impact this has had on understanding the war.

## Customer Reviews

'The Ashgate Research Companion to the Korean War provides a timely and much-needed scholarly reference, for both academic and general readers, to acquire updated knowledge and a deeper understanding of the first major hot war during the Cold War. Edited by two of America's leading experts on the subject, the volume is comprehensive, informative, and insightful. It is highly commended.' Chen Jian, Cornell University, USA

James I. Matray is Professor of History at California State University, Chico. He is the author of *The Reluctant Crusade: American Foreign Policy in Korea, 1941-1950* and *Korea Divided: The 38th Parallel and the Demilitarized Zone* and editor of *The East and the United States: An Encyclopedia of Relations Since 1784*, *Historical Dictionary of the Korean War*, and *Korea and the Cold War: Division, Destruction, and Disarmament*. Donald W. Boose, Jr. is a retired Army colonel who teaches at the U.S. Army War College. Much of his 30-year military career involved Northeast Asia political-military matters and included six years with the U.N. Command Component of the Military Armistice Commission in Korea and service as Assistant Chief of Staff for Strategic Plans and Policy for U.S. Forces, Japan. His books include *U.S. Army Forces in the Korean War* and *Over the Beach: U.S. Army Amphibious Operations in the Korean War*.

Too many factual errors for such a high rated book. And there are too many illogical interpretations of people and events. It would be a great day to see a Korean War book published without errors, both factual, and interpretative. There are several supremely important facts and interpretations about the Korean War that have never been properly couched in a publication.
