Customer Reviews

Not too thrilled that there is two word searches per page and they are tiny.....

My father loves these books it helps to pass time on cold, rainy, days when he cannot go outside and work in his shop. With 500 different puzzles he will not get bored for a long time. If someone loves puzzles get this.

I'm not a big fan of this wordsearch book. The wordsearches are tiny, and it's irritating for someone who likes to have a large area to search. Wouldn't buy this again.

Thanks great item and price

My husband enjoys the Wordsearch games. The spiral books are so much more convenient and easier to handle than just paperback versions. Size of this book is good too.

ITEM AS DESCRIBED THANK YOU

I have thoroughly enjoyed this Word Search book and just wish it was one of a series because I have really enjoyed it!

The book itself was smaller than I thought it would be and the puzzles are two to a page so they are not very large either. But the print is easy to read. And I did not get lost in the puzzles as I search for a word.
