In this guide you will find our Top 20 to the must see sights on a trip to Madrid. Madrid is the capital of Spain, and is an amazing city. There is a certain something about the unique atmosphere in Madrid that is hard to explain. It is here that you can really understand the Spanish saying â ^Mi casa es tu casaâ ™ (my house is your house). In Madrid you are not a tourist or a guest, but rather a long lost friend! The main areas of the city are quite close together so, even though the metro system is very good, it is possible to walk to most of the main sights. A great place to start your journey around Madrid is at Puerta del Sol to see â ^Kilometre Zeroâ ™, the place where distances are measured from, and to see the famous bear statue. Enjoy a stroll along Gran Via admiring the architecture of the buildings there, have a break in Plaza Mayor for a beer or a coffee, and then hit Madridâ ™s famous museums. After sharing some tapas with your friends, head to Chueca to party into the night. "Click on the Orange buy now button at the top right and grab your copy now!" What makes this Madrid book unique is that the author Lynne Knightley has visited the city, and its attractions personally, and many times! She uses all this firsthand knowledge to create a travel book which readers love. This all makes for a great experience when they visit Madrid!
