Cascade Lodge : The History Of A North Shore Landmark

Synopsis

This book is a story of how Cascade Lodge began in a wilderness on Lake Superior's North Shore in the 1920 and developed into a North Shore landmark. The book is a historical document of the struggles of starting a resort without modern equipment and conveniences, surviving the depression, World War II, and adapting to technological changes and people's vacationing interests and needs over seventy-five years. This is a classic history of a Minnesota Lodge that will interest anyone who has ever vacationed in one of the state's many resorts. The book also includes a history of the development of Cascade River State Park and the changes to highway 61 over the years.

Customer Reviews

This is a wonderful addition to Cook County History! It combines detailed historical documentation with wonderful photos and illustrations of the history of Cascade Lodge very, very enjoyable reading! --Pat Zankman, Cook County Historical Society Museum Director. More than the history of one landmark hideaway, the story of Cascade Lodge shows the evolution of Lake Superior's North Shore, from an unforgiving wilderness to one of the Upper Midwest's most enchanting vacation destinations. --Larry Oakes, Star Tribune of Minneapolis The history of Minnesota's North Shore is a fascinating study of people and nature. The role Cascade Lodge has played in this history is brought to life in this fascinating, well-researched history of one of the North Shore's most storied landmarks. Cascade Lodge will undoubtedly continue to be a major story line as the history of Northern Minnesota continues to unfold. --Tim Campbell, Northeast Regional Manager Explore Minnesota Tourism.

Eugene Glader grew up on a farm near Cambridge, MN and attended a one room school through the fifth grade. He is a graduate of Cambridge H.S. Bethel College, (AA), Wheaton College, (BA), University of Minnesota, (MA) and the University Iowa, (Ph.D.) He served in the US Army two years, taught and coached in high schools for two years, and at Bethel College for 20 years. While owning Cascade Lodge for almost 23 years he served on several resort association boards, was a president of the Minnesota Resort Ass. and was selected as the Resorter of the Year by the association in 1990. In 2004 Gene and his wife, Laurene, sold the lodge and moved to Grand Marais, MN. where he completed the writing of this book.

A well done history of an iconic, though little known, piece of the American landscape. If you have an interest in the north shore of Lake Superior, you will enjoy this book.
