Jeanette Foster is an award-winning prolific writer, widely published in travel, sports and adventure magazines. She has written over forty-eight travel guides for Frommer's, as well as edited the Zagat's Survey to Hawaii Restaurants since 1997. She has traveled extensively throughout Hawaii, from skiing the slopes in Mauna Kea to scuba diving with manta rays off the Kona Coast. She resides on the Big Island.

A very thorough, well researched and well written guide. Great for long or short trips, family trips or romantic getaways. Great travel size to carry along. Several maps including one removable in its own plastic sleeve. I would definitely recommend this guide.

This had some good ideas in it. It was a good size to take with and was a good reference. I ordered this at the same time I got Maui Revealed and I can definitely say I liked the other one better. It seemed like it was written for a more normal person.

Probably the best travel guide I've ever had, helped us enjoy the island even more than we would have, full of a lot of interesting facts also that pan out when you're actually there, great

Great!

We have been to Maui several times, but this book will make our next sojourn in December for our 50th anniversary even better! A great book!

Complete and useful information. I like the size of the book since you can easily carry it with you and it also includes a map.

compact but informative descriptions. Could be used as quick reference - gives enough information to make choice.

Lacks some practical information, even if it has some general good suggestion about paces to visit & day to day planning.
