Illumine My Family: Prayers and Meditations from the Bahai Faith is an anthology of prayers and meditative selections from writings of the Bahai religion, chosen to aid believers of all walks of life to

incorporate more spirituality into their daily routine. The passages chosen cover a wide range of topics, from marriage, children, love, and healing to the loss of a beloved family member or friend. A compilation meant to help families grow closer together and closer to God, *Illumine My Family* is a spiritual treasury, and highly recommended. "When soldiers of the world draw their swords to kill, soldiers of God clasp each other's hands! So may all the savagery of man disappear by the Mercy of God, working through the pure in heart and the sincere of soul. Do not think the peace of the world an ideal impossible to attain! Nothing is impossible to the Divine Benevolence of God."

This is a very good prayer book for every one no matter what faith you are. WE all need to say or read more prayers in America now.
