# Grenada, Carriacou & Petite Martinique (Bradt Travel Guide Grenada, Carriacou & Petite Martinique)

## Synopsis

Since its decimation by Hurricane Ivan in 2004, the three-island state of Grenada, Carriacou and Petite Martinique has been rebuilt, renovated and improved. These islands are once more open for business, and enjoying a newfound prosperity as visitor numbers increase year on year. Grenada has national parks that teem with wildlife and trekking opportunities through forests of nutmeg, avocado and mango trees. Neighboring Carriacou is one of the Caribbean's top diving destinations and Petit Martinique is a laid-back paradise with unspoilt, secluded beaches.

Best Sellers Rank: #2,846,212 in Books (See Top 100 in Books) #19 in Books > Travel > Caribbean > Grenada #24 in Books > Travel > Caribbean > French West Indies #1549 in Books > Travel > Caribbean > General

## Customer Reviews

When not busy writing Paul Crask dabbles as a freelance scuba-diving instructor, underwater videographer and hiking guide. He's also the author of Bradt's Dominica.

good

There's not a whole lot to be said about these islands and just a day on any one of them says it all. They've done their best, however. It will be very handy for my stay.

I thought this was a great introduction for my trip to Grenada. It had a lot of good advice and I found the information to be accurate (at least regards to Grenada -- I did not go to Carriacou or Petite Martinique). This book helped to calm my anxiety for traveling to Grenada for the first time. It also

gave me a good idea of what to expect with regards to the public transportation, the people, interesting things to do, food, etc.

Good transaction, speed and the book is in good quality. But not enough pictures to appreciate the island. Lot of informations, thank you.
