NUMBER PATTERNS: CRACKING THE LOTTERY (Pick 4)

Synopsis

\$1 Donation for every book sold to Children's Healthcare of Atlanta. Untold and forbidden secrets of the American Lottery. I skip all the nonsense in this short book and cut right to the chase. Tried and true secrets and strategies that are sure to fire up the lottery corporations. There's 10000 pick 4 combinations but in all reality there is only 741. It's all explained in this book. I'll prove to you that the lottery absolutely is controlled. I'll share information about the lottery that I've bookmarked on the internet only to go back to find out the site has been taken down. Read my book. It's short but full of information that's drawn up from statistics of my findings. Information and years of research you won't find on the internet ever is in my book!! \$1 from every sale will be donated to Children's Healthcare of Atlanta. The goal is to raise one million dollars for The Children's Healthcare of Atlanta through this book. Tell everyone you know. The book will pay for itself through lottery strategies and you are giving to the greatest cause known to man, Our children! Please even if you don't really care for this book, please purchase so you can donate to CHOA. Every penny counts

Customer Reviews

Interesting information. This book needs to give more examples of his strategies. His argument leaves you sort of intrigued. If you are looking for work out this is not the book.

I like this book many useful tips and strategies for playing pick 4 . I would recommend this book to call my friends

Wow this really works! great tips!
