Home plans, decorating ideas, blueprint ordering information--it's all here in this book. Rich in architectural variety, vastly appealing, and space efficient, the two-story home is a popular choice of families all over the country. Both traditional and contemporary styles are found in every region coast to coast, from country estate to city site. This extensive collection of one-story homes offers the best range of the category in all styles and sizes:- Colonial, Georgian, Victorian- Tudor, French,

Spanish- Contemporary and Southwestern- Many more! If you're planning to build a one-story home, this book will show you the many faces of this popular type. In addition, a section on home decorating will help you dress up your new home. And for each and every house shown, there are complete construction blueprints available, allowing you to build your special home the way you want!

Very pleased with the product quality.

I can find more suitable designs online

Super designs, very attractive. This book also gives the square footage that allows you choice which is very important when designing your home. I chose a hybrid design that allowed my personal input into the designscape.

Good
