Synopsis

Yes You Can! You Can Master Piano Chords This amazing book teaches you how to form and play the most important types of piano chords in every key. These are chords that every piano or keyboard player must know! If you want to master your chords, this is the book for you. It starts with basic major and minor chords, and advances to dominant 7th, major 7th, minor 7th, sus2, sus4, augmented, diminished, major and minor 6th chords, and more. This chord book goes into great detail and presents scales and formulas to show you exactly how the chords are constructed. Piano chord charts are included, showing you the exact notes to play. You absolutely need this book. Learn I, ii, iii, IV, V, vi and vii chords in every major key, as well as i, iidim, III, iv, v, VI, VI chords in every minor key. Everything is well explained and presented in a manner that is fun and exciting. Learn about chord inversions, piano fingerings and voice leading. Learn how to move from one chord to the next, where your fingers should go, and how to pick the best sounding and most comfortable notes. Learn how to play some of the most popular chord progressions ever, and much more. By the end of this book, you will have the information you need to play the chords of all your favorite songs. Whether you want to play in a professional band or duo, accompany singers, play solo, sing and play, or perhaps, simply play for fun, this book will surely give you the tools you need. Customer Reviews

I have used and still use all of his books. Really excellent for the beginners and intermediate level players. Very easy to understand the basics. With this foundation under your belt you can go anywhere. I started with one book... now I have all of them

A great resource...to the point with a relaxed personable writing style. I absolutely endorse Mantius's books.I have gotten all and they do not disappoint.

Great book for a beginner keyboard player. I liked it so much I bought another of his books.
