World Airports Spotting Guides

Synopsis

Your guide to spotting at over 300 worldwide airports, full of concise, detailed information for the aviation enthusiast. Included in this book are descriptions of each airport and what you'll see there, the best places to spot and how to get to them, information about good spotting hotels, and any aviation museums. Many maps and handy statistics are also included.

Customer Reviews

Very informative. My 13 year old son is obsessed with airplanes, and loves this book.
