Kandinsky: 16 Art Stickers (Dover Art Stickers)

Synopsis

After his formative experimentation with Art Nouveau and Fauvism, Wassily Kandinsky (1866â “1944) developed a highly original style of his own. Got for my wife. She loves it.

For inexpensive stickers, these reproductions are clear and attractive. If you are a Kandinsky lover and want to interest others in his work, this is one classy way to do so. They also add some sign of love to your correspondence. Put yourself out: show more love in this sad world under the sun.

nice stickers

I did expect a little better quality than what I got... some of them were set crooked. But they work for my purposes.

Bought as a gift, seems to be a good selection.
