Customer Reviews

Wallpaper* City Guides are compiled by the magazine's travel experts, both by in-house editors, and correspondents who actually live in the highlighted cities, providing up-to-the-minute information.

Wallpaper guides are simply the best there is. I don't go anywhere without having first checked out the city through this most excellent resource. My only regret is that it doesn't cover all cities. Couldn't recommend it any more.

Really awful, and I have used one of these guides before and loved it. Not sure why it's so bad- but it really isn't worth the money.
