Customer Reviews

Basic, simple instructions on how to get the most out of necessary knotting techniques strung jewelry often requires. Very clear, with suitable diagrammes.

Great guide for anyone interested in learning basic techniques. A lot of good information and a good resource guide for your library.

THANK YOU

Easy to read and clearly explains knotting techniques.

from start to finish this book covers alot in easy terms

Not quite what I was looking for. Most techniques refer specifically to beading pearls.

I am very glad that I got the book. It is very helpful and easy to read. This little book is perfect to any one who are interest to make jewelry .

Good book to have if your are making jewelry.
