Customer Reviews

Cheap way to get started with basics on QuickBooks Pro 2017. Helped me greatly to learn enough to get into things quickly that would certainly have taken much longer.

I am new to Quickbooks so this handy tool is right on time!!

Like having this cheat sheet to help with learning about quick books.

I haven't really gotten into this yet, but it looks good on the surface. I am thinking I'll be making good use of it - often.

Excellent product and quick delivery.

Handy cheat sheet for an otherwise potentially overwhelming situation.

For such a small guide (4 laminated pages) it packs a LOT of punch! There is a lot of very helping quick tips in here and is extremely useful!! VERY HAPPY WITH PURCHASE!!!!

Still learning the program so maybe after a while, I can understand what I am reading.
