Buddhism: Introducing The Buddhist Experience

Synopsis

Buddhism: Introducing the Buddhist Experience, Third Edition, focuses on the depth of Buddhist experiences as expressed in the teachings and practices of its religious and philosophical traditions. Taking a more global and inclusive approach than any other introductory text, the book spans more than 2,500 years, offering chapters on Buddhism's origins in India; Theravada and Mahayana Buddhism; Buddhism in Southeast Asia, Tibet, China, Korea, and Japan; and the globalization of Buddhism with a focus on the United States. The volume is enhanced by substantial selections of primary text material, numerous boxed personal narratives by respected Buddhists and scholars, maps and photos, and six essays on cultural experiences of Buddhism around the world today.

Book Information

Paperback: 464 pages

Publisher: Oxford University Press; 3 edition (October 30, 2013)

Customer Reviews

"Buddhism is a ten! It covers the entire Buddhist tradition with accuracy and from a sympathetic point of view."--Christopher Key Chapple, Loyola Marymount University

"The best single-volume introduction to Buddhism. It is clear, expansive, and accessible."--Daniel S. Breyer, Illinois State

University "I especially like the boxes with notes from practitioners, which make clear that Buddhism is very much a living religion."--Laurie Hovell McMillin, Oberlin College

Donald W. Mitchell is Professor of Philosophy at Purdue University. He is the author of *The Gethsemani Encounter: A Dialogue on the Spiritual Life by Buddhist and Christian Monastics* (1997). Sarah H. Jacoby is Assistant Professor of Religion at Northwestern University. She is the

coeditor of *Buddhism Beyond the Monastery: Tantric Practices and their Performers in Tibet and the Himalayas* (2009).

Mitchell and Jacoby provide a sympathetic, accurate account that encompasses Buddhist traditions from around the globe. New to this third edition are a reframing of Buddhism as a globalized set of traditions embodying a multitude of cultural forms; a revised final chapter, "The Globalization of Buddhism," with new material on Buddhism in Africa, Latin America, Europe, Canada, Australia, and New Zealand; coverage of second- and third-generation Buddhist youth and the Internet's role in the globalization of Buddhism; a rewritten and more robust chapter on "The Tibetan Experiences of Buddhism" that reflects Jacoby's specialization; new materials on contemporary, socially engaged Buddhist movements in Asia and their new global presence; and updates to all chapters featuring the most recent scholarship, more student-friendly subtitles, and new photographs and maps.

I had to order this book for a class I was taking last semester and although a lot of reading was assigned I partly skimmed for most of the assignments. There is a vocab section in the back and that was helpful. It also has pictures and images with captions that are fun to read!

VERY wordy and beats around the bush before making a point. Several of the chapters could have been omitted and combined with other chapters as there was a lot of repeating information.

Just as advertised

Informative and easy to breeze through.
