I loved this story from beginning to end. I definitely can't wait for the next one. So keep them coming

Good read

I LOVE this series. I am always searching my email for new ones. Can hardly wait to see what happens with Johny and Alice's happy ending (I am definitely expecting one) but am enjoying the other smaller stories getting there. I would probably read all of the Books in one day if they were out.

Lusie was one of the mail order bride. She was attracted to the owner of the ranch her boss. They started courting as he was attracted to her too. Emmett was shy and found he was unable to have conversations with her after they stArTed to see each other. And that is when they had problems. Lucie began seeing someone else. A bad person and that is when Emmett got his voice back and spring into action. This is a happy ever after story.

I am really enjoying this series. The Mail Order Bride and The Hunted Man was interesting. Even through Jessie was in love with Emment and they are courting, Jessie believe he has lost interest in her. So when Mike enter the picture Jessie starts seeing him. What Jessie doesn't know is Mike has a secret, one that will put Jessie in grace danger. Can Jonny find out why Mike's name some familiar to him and will he get the answers he needs in time? Will Emment declare his heart to Jessie? Can this two find their way back to each other? Read this clean, sweet romance and find out. I read this through the kindle unlimited program.

As always the author did a great job writing this book. There are great characters in this story. This story is about how a young lady almost married the wrong man. She was saved by the true man who really loved her. I recommend this book.

Great book. I love this series. Each book is a surprise. Quick read, but very enjoyable.

This book is full of excitement and drama without a bunch of violence. I really enjoyed this story of the hardships of falling in love with the right person.. I recommend this book to everyone who wants an exciting clean romance.
