In January 2003, the renowned Berlitz Publishing became part of the Langenscheidt Group. My daughter loves learning new languages and this was a good beginners book.

Love it

I like this dictionary because it gives examples of how to use the words. The pictures are great for kids!

This book is amazing! My granddaughter is not even 2 years old is already learning Italian! She understands and speaks very well. Excellent purchase!

I was really hoping for more from a Berlitz publication. I like the idea, but some of the translations are not correct. There are lots of words that I would have expected in a children's book that are absent. I much prefer LET'S LEARN ITALIAN PICTURE DICTIONARY MCGRAW HILL. That is sorted by subject matter and so much easier to absorb.

This book was very disappointing. The English phrases and illustrations are very creative. However, the translation into Italian is very poor. It is full of errors that one might not notice if he or she did not already speak Italian well. The idea of the book is a great one. It is really too bad that the translation is of such poor quality. I hope Berlitz publishes a second corrected edition.
