Why I Am A Pretribulational Premillennialist: And Why You Should Be, Too

Synopsis

Is there a rapture? Will Christians endure the tribulation? Do you need to prepare for the Day of the Lord? This short book will help you answer these questions and understand pretribulational premillennialism by sharing the theological journey of one pastor who is now committed to a pretribulational rapture and a premillennial return of Jesus Christ, but once believed a pretrib rapture was nothing more than wishful thinking.
