Troublemaker Book 2: A Barnaby And Hooker Graphic Novel

Synopsis

There's no smooth sailing for Alex Barnaby and Sam Hooker in the second volume of bestselling author Janet Evanovich's graphic-novel adventure, *Troublemaker*. Barnaby, Hooker, Rosa, Felicia, and Beans the St. Bernard set sail to the Florida Keys in order to find the wooden body of Baron Samedi that matches their recently acquired "and stolen" wooden hand. But in the world of petro voodoo a hand for a hand and a Baron for a boat is fair play. When the Happy Hooker disappears from its mooring in the Keys, Barnaby and Hooker have to find a way back to Miami with the stolen body of Baron Samedi. Ransom notes for the Happy Hooker, a sack of snakes, and a ticked-off chicken, leave only one place safe enough to hide a body... Hooker's mom's house "a situation that makes the sack of snakes look like chump change.

This nothing more than a hard covered comic book. The graphics are fair and the plot is lame. I would not recommend to ant one. Janet Evanovich is better than this.

Because I love Janet Evanovich's books, I intend to own all of them. And, that includes her romance novels, as well as her graphic novels. "Trouble Maker" and "Trouble Maker 2" were fun and easy to read. The settings were different from her Stephanie Plum series, which gives the reader variety. I have recommended Janet's books to several of my friends, and now they're hooked on her too.

not at all what I expected. I was excited for something from the author.. This was not a good fix.

I didn't realize it was in comic book form.

Really like it.

I guess I was pretty disappointed, I didn't expect a comic book effect type of book, for the price, I thought it sucked. Not much context to the book. I liked all the other Janet Evanovich book series I hope this doesn't happen to the other series.

I was expecting more. I liked Metro Girl and Motor Mouth well enough, but Troublemaker was not worth the money. If I'd paid even half the cover price for these books, I'd have been angry. Part One took me only about 30 minutes to read and Part Two took less. The graphics are nice but not worth the sacrifice of storyline and detail. I will not buy future graphic novels.

Love Janet E.
