## Customer Reviews

The book is very brief, only 30 recipes. I made the Potato Pancakes and Lorn Sausage for breakfast, and accompanied those with eggs, bacon, and tomatoes as directed, and they were delicious! They're the best potato pancakes ever. There's no recipe for Scotch Eggs in here. Probably need to glue one inside the cover to rectify that. ;)

It was a gift for friends who have visited Scotland recently. They LOVE this book! They are pouring over all the recipes and very excited to try them out, once they decide which one! They said there are many, many recipes they are anxious to try.

Lovely pictures. Recipes are easy to follow.
