With all of the concerns over religious issues in the USA and the world over, I started exploring many religions, just to understand what motivates people and what their beliefs entail. This is just one of many books I've recently purchased for my Kindle. I believe knowledge brings tolerance for other belief systems and can reduce fears while also uncovering myths about religions other than one's own.

Very easy; broken down into the serious false beliefs of this false religion

Helpful. So sad that so many children grow up in cults and are shunned by their families if they want to change religion.

I learned quite a bit about the JW. BUT my worship is still in the GODHEAD GOD JESUS AND THE HOLY SPIRIT THREE IN ONE?

Didn't understand it at all. I learned nothing!

Very well written and concise. Highly recommend.

Highly recommend to people interested in reach JWs with the life saving Gospel of Jesus Christ. Great Read, check it out.

It was ok. I guess I was looking for more insight.
