Vermont Place Names: Footprints Of History

Synopsis

736pp. 18 maps. Index. 1996 (1977). Esther Swift's immensely popular history of every conceivable place-name in Vermont has served well an entire generation of researchers. Not only is the history of each place-name given, Mrs. Swift gives you a capsule history of the town, village or settlement involved. Mrs. Swift demonstrates a clear and incisive grasp of the geography and history of Vermont; the infringing New Hampshire and New York patents are covered in separate appendices; and in sum this book is well-researched, well written, and well received. Another must-have tool for Vermont.

"A required purchase for libraries and Vermont genealogists" -- The New England Historical and Genealogical Register

Book was a gift for my "history-buff" native-Vermonter husband. Based on his response to receiving the book, I believe he will enjoy it.
