Ob/Gyn Sonography: An Illustrated Review

Synopsis

Ob/Gyn Sonography: An Illustrated Review Step 1 in Davies 1-2-3 Step Ultrasound Education & Test Preparation program is an efficient and powerful silver-bullet review for the national registry examination in obstetric and gynecologic sonography. It thoroughly covers the ARDMS exam outline, succinctly and systematically explaining and illustrating each exam topic with easy-to-read text, more than 1000 anatomic illustrations and diagnostic scans, 49 tables containing normal fetal measurements and other clinical reference data, bulleted lists of key facts, and self-assessment exercises. Ob/Gyn Sonography: An Illustrated Review is also a practical, manageable, reader-friendly text and reference for students, cross-training sonographers, practicing sonographers, and interpreting physicians that has been peer-reviewed by 19 nationally known experts. A complete CME application and quiz at the end of the book make it possible to earn 15 hours of SDMS-approved continuing medical education credit anywhere, anytime, at your convenience.

Customer Reviews

Jim Baun is a pioneering clinical and academic sonographer who has been practicing and teaching since the early days of the profession. Jim began his career at the University of Toledo Medical Center when ultrasound equipment was powered by vacuum tubes. Since then he has served on the faculties and advisory councils of numerous sonography programs and has developed ob/gyn

registry review courses for both students and nationwide seminars. Widely published in sonography, he has contributed chapters to several major texts, presented lectures at regional and national educational conferences, and participated in the development of educational standards for accredited sonography programs. In 1997 he was elevated to Fellow of the SDMS. Jim lives in San Francisco, where he enjoys painting, writing, and hiking along the Golden Gate with his dog Mickey.
