100 Things To Do In Atlanta Before You Die

Synopsis

Atlanta is a city known for its rich Southern heritage, but it's also a modern metropolis chock full of hidden treasures and adventures galore. Whether you're a native of the ATL looking to mark another local experience off your "bucket list," or an out-of-towner in search of the city's vacation hotspots, *100 Things to Do in Atlanta Before You Die* is the only guide you'll need. The book celebrates the top ways to (re)connect with Atlanta think diving with whale sharks at the Georgia Aquarium, sampling nearly 100 sodas from around globe at the World of Coca-Cola, and biking along the BeltLine or Silver Comet Trail. But it also shines a light on lesser-known haunts like the world's largest junkyard of vintage cars and several historic Civil War sites (some supposedly still home to spirits from the grave). And no look at Atlanta could be complete without the "who's who's" of the city's top Southern chefs we're talking who serves up the best fried chicken this side of the Mississippi, y'all. So before you head out on any adventure in the ATL, check out this book to see what makes Atlanta the coolest city in the South.

Average Customer Review: 4.4 out of 5 stars 7 customer reviews

Best Sellers Rank: #1,071,015 in Books (See Top 100 in Books) #19 in Books > Travel > United States > Georgia > Atlanta

Customer Reviews

Sarah Gleim is an award-winning writer and editor, as well as a native of Atlanta. She has covered every aspect of the city for the last 15 years for numerous Atlanta publications, including Atlanta magazine, The Atlantan, Atlanta Homes & Lifestyles, and Atlanta Business Chronicle. She currently lives in Decatur where she enjoys writing about the city's dynamic restaurant scene.

I have to admit that I have lived in the Atlanta area for most of my life, and I had no clue about many of the things to do here that are covered in this book. This is an easy read guide book with lots of

information, tips, and addresses to all of the places. The author adds humor and southern charm as she gives a brief description of what to do, where to do it, and what to expect . This is the perfect gift for anyone living in or visiting the ATL. I plan on doing #65 and #84 very soon!

Whether you're new to Atlanta, a native, or somewhere in between this book can guide you to some of the best Atlanta has to offer. Written by a longtime resident, this is not the work of a novice. The author's challenge wasn't finding 100 things to check off the list, but figuring out what to leave out. Thankfully, although the title says "100 Things to do", the book includes multiple options on location. For example under number twenty, Pig Out On Barbecue, the author admits that "deciding who has the best barbecue in Atlanta is just a silly game" (p. 33) and then lists nine different barbecue restaurants. Next to entry thirty-three, Eddie's Attic, is a list of five more intimate music venues. The book also contains helpful tips about what activities are free but require reservations in advance, podcasts to download before visiting, and what locations are best enjoyed with an early arrival. The list of suggested activities, activities by season, and the index are just the right thing to help get you out the door and enjoying the town. Most entries are within the city limits and plenty within a few blocks of a MARTA rail station. Others, like Tullah Falls and Kennesaw Mountain National Battlefield Park, are well beyond the city limits and will require a car to reach. If you're coming to Atlanta on extended business, tired of having hit and miss experiences across town, or just want to make sure you enjoy some of the best Atlanta has to offer, this book will lead you in the right direction. In paperback for your bookshelf or the Kindle version for ready reference on the go, either way you can't go wrong.

I've lived here in ATL for 30 years. And I still need to hit some of these places! It's a great guide for locals as well as transplants. It is such a great town to live in and we are lucky to have such a great guide.

This book was more for locals who live in Atlanta than visitors. No information on rates or fees.

Got this for a friend who just bought a condo in Buckhead. We plan to check off the sights as we visit them. Too fun! I then bought one for my hometown to ensure I don't miss anything.

Great item, thanks

Best book for a native Atlantan or a newcomer to this great City. Hightly recommend it!
